the idea of predestination which seems to have a scriptural basis is actually a trojan horse while appearing to many to be a gift of grace it is actually full of deceptions and completely inconsistent to the plan of salvation holding that man has no free choice and that god has already selected a favored few of his children for salvation while committing the rest most of mankind to damnation regardless of merit to explore this subject with maximum clarity i will present the doctrine of predestination in sharp relief to the true doctrines of the wondrous plan of salvation for all mankind this presentation includes a detailed description of what the doctrine consists of it s origin and history the scriptural authority referenced to support the doctrine its implications and a discussion of how and why the idea of predestination is inconsistent and at odds with the gospel of jesus christ to better introduce this subject i begin the first chapter of this book with a personal experience an experience that heightened my own awareness of the issue
