think and grow rich over 80 million copies sold this edition of napoleon hill s classic think and grow rich is a reproduction of napoleon hill s personal copy of the first edition the only original version recommended by the napoleon hill foundation originally printed in march of 1937 the most famous of all teachers of success spent a fortune and the better part of a lifetime of effort to produce the law of success philosophy that forms the basis of his books and that is so powerfully summarized and explained for the general public in this book in think and grow rich hill draws on stories of andrew carnegie thomas edison henry ford and other

millionaires of his generation to illustrate his principles this book will teach you the secrets that could bring you a fortune it will show you not only what to do but how to do it once you learn and apply the simple basic techniques revealed here you will have mastered the secret of true and lasting success money and material things are essential for freedom of body and mind but there are some who will feel that the greatest of all riches can be evaluated only in terms of lasting friendships loving family relationships understanding between business associates and introspective harmony which brings one true peace of mind all who read understand and apply this philosophy will be better prepared to attract and enjoy these spiritual values be prepared when you expose yourself to the influence of this philosophy you may experience a changed life which can help you negotiate your way through life with harmony and understanding and prepare you for the accumulation of abundant material riches

presenting for the guidance of all who would succeed the imperishable andrew carnegie formula for money making the principles used by ford edison firestone and others of great wealth jacket

you are currently reading one of the most influential books in the world within the pages of this book you will find the tools methods and skills necessary to become a wealthy man you will learn how to successfully influence the people and situations around you you will learn about what helps a person propel his life forward achieve happiness and increase wealth while others can't seem to even get out of the starting block what is it that equips some with the strength and energy for the fight while others are left listless how is it that some can spot potential amidst a tangle of problems and work towards their dreams without stumbling under the cruel winds of fate while others struggle desperately making mistake after mistake without encountering any form of success years ago napoleon hill glimpsed the mysterious sparkling gem of success while speaking to andrew carnegie one of the richest men on the planet carnegie advised hill to examine how other successful people obtained wealth and to develop a formula for success that could be an example the world over this book reveals the secret of success and an action plan for achieving it since the original 1937 edition the book has been reprinted 42 times in the united states selling out immediately upon publication the book describes the road to sure success overcoming all obstacles and achieving one's dreams with the sureness of a movie plot propelling the viewer towards the end along the eternal river of time the book will shake and transform your life with its motivating energy as you read it you will understand how self confident

people amass wealth and achieve happiness most importantly you will become such a success story napoleon hill was born in a small cabin in the mountains of virginia as a young man he worked as a newspaper reporter in order to afford his studies at georgetown university during wwi he worked as a public relations expert for president woodrow wilson s administration in 1933 jennings randolph a senator from west virginia introduced him to theodore roosevelt hill again found himself in the role of presidential advisor after establishing the napoleon hill association in 1952 he actively promoted the philosophy of personal success he also headed the napoleon hill foundation a public organization aimed at educating people in the science of success other notable works benjamin franklin the way to wealth charles f haanel the master key system florence scovel shinn the game of life and how to play it wallace d wattles how to get what you want the science of getting rich the science of being well the science of being great p t barnum the art of money getting dale carnegie the art of public speaking james allen as a man thinketh from poverty to power eight pillars of prosperity foundation stones to happiness and success men and systems above life s turmoil the life triumphant the mastery of destiny the life triumphant eight pillars of prosperity foundation stones to happiness and success above life s turmoil from passion to peace man king of mind body and circumstance light on life s difficulties the shining gateway out from the heart through the gates of good the divine companion morning and evening thoughts book of meditations for every day in the year poems of peace khalil gibran the prophet orison swett marden abner bayley an iron will orison swett marden ambition and success the victorious attitude architects of fate or steps to success and power pushing to the front how to succeed cheerfulness as a life power marcus aurelius meditations henry thomas hamblin within you is the power william crosbie hunter dollars and sense evening round up joseph murphy the power of your subconscious mind ralph waldo emerson self reliance compensation henry h brown concentration the road to success dollars want me russell h conwell acres of diamonds the key to success what you can do with your will power every man is own william atkinson the art of logical thinking university the psychology of salesmanship b f austin how to make money h a lewis hidden treasure l w rogers self development and the way to power douglas fairbanks laugh and live making life worth while sun tzu the art of war samuel smiles character thrift self help personal development classics personal growth

a lifetime of study condensed and clarified in 1908 andrew carnegie challenged hill to discover and publish the practical philosophy of achievement that carnegie knew existed but had never been assembled published in 1928 law of success distilled hill s interviews with over 500 movers and shakers of his day into a 16 volume course that became an overnight bestseller it was published almost exactly 20 years after that carnegie interview in 1937 he revised that original massive

work into a single volume think and grow rich edited into the language of that day its purpose was to help the nation heal after the depression and shake off the fear of poverty after eight years hill again revised and simplified that philosophy he studied and edited based on reader input plus his own life experiences to come out with the sequel the master key to riches in 1945 take think and grow rich to a new level with hill s sequel get your copy now

the law of success was a precursor to napoleon hill s think and grow rich hill was well known for researching what made millionaires different from the common man the sixteen lessons in this book perfectly crystallize everything you will need to know to succeed during these hard economic times many of today s best known self help books take there core concepts form this book the secret the power of positive thinking the millionaire next door and the law of attraction all take their basic premises from this landmark work now you can get it from the source once you ve read this book you will understand what gives certain people an edge over everyone else by following the advice laid out clearly herein you ll be the one with an edge it s time to stop wondering what it s like to be rich and start knowing this book has changed countless lives and it can change yours unlike many of the other editions on the market today this edition is complete and unabridged wilder publications is a green publisher all of our books are printed to order this reduces waste and helps us keep prices low while greatly reducing our impact on the environment

the law of success is a book written by napoleon hill in 1925 it was originally released as a set of 15 separate booklets before being consolidated into a single tome book the law of success in 16 lessons is an edited version of napoleon hills first manuscript which was reworked under the advisement of several contributors this version was initially published in 1928 as a multi volume correspondence course later editions consolidated the material into a single book hill frequently refers to the temple of success and cites the laws and their collective understanding to be the door to the temple of success it is the author s stance that thinking is the most organized form of energy the 16 lessons include the law of the mastermind a definite chief aim self confidence habit of saving initiative and leadership imagination enthusiasm self control doing more than paid for a pleasing personality accurate thinking concentration cooperation profiting by failure tolerance and the golden rule
