steve and his friends have to work out who the real enemy is before they can win this battle nobody can go to bed without risking death and a new army of rainbow grievers are on their trail how can they save the village and themselves

Steve and his friends are back at the wheat farm trying to find a way to secure their crops from hostile mobs when their old friend Georgia comes to them for help. Georgia's village is in the middle of a serious skeleton attack. The skeletons appear at dawn and nobody can go to bed without risking death. Steve and the gang agree to help, but the journey to Georgia's village isn't easy, especially with a new batch of rainbow griefers on their trail. After Steve and the gang get to the village and fight the skeletons, they think the battle is over. They are surprised to find out that it has just begun. Rumors circulate through Georgia's village about a skeleton farm nearby in the dungeon of an old castle. The griefer running the farm spawns skeletons and destroys them for the bones. The skeletons drop when destroyed. Is the skeleton invasion a part of the griefer's larger plan, or are the skeletons escaping in order to save themselves? The gang has to figure out who their real enemy is before they can win this battle. Should they side with the skeletons or stop the griefer? Find out in this thrilling fifth installment of the unofficial gamer's adventure series. Sky Pony Press, with our good books, Racehorse and Arcade Imprints, is proud to publish a broad range of books for young readers: picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft, stories told with LEGO bricks, books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Meanwhile, the school is gearing up for an end-of-the-year talent show where everyone will showcase their greatest skills, from master building and clever potion making to strategic fighting. But when a hoard of skeletons and hostile mobs attacks the campus one night, an all-too-familiar struggle begins. Is Isaac, the school's evil former headmaster, behind the attacks? Lucy and her friends are determined to get to the bottom of the mystery and keep their school safe as the attacks continue. Their search for clues turns up more enemies than friends.
